

PHEASANT RUN PROJECTS UPDATE

Jan. 29, 2018

MESSAGE FROM THE COMMISSIONERS

The Lorain County Commissioners are providing this update as part of our continuing effort to keep the Pheasant Run residents informed regarding the sanitary sewer construction progress. We are pleased to be implementing an affordable solution to the wastewater treatment issues that PRA residents have been dealing with years.

- *Commissioner Ted Kalo*
- *Commissioner Matt Lundy*
- *Commissioner Lori Kokoski*

WORK COMPLETED

- Force Main installation started in LaGrange and has been installed along SR 303 and is currently being installed along Whitehead Road. Materials for the lift station and equalization basins have been ordered.
- The sanitary rehabilitation contractor has completed cleaning and televising of the existing sewers and has started lining sewers.
- The new water meters have been ordered.

Sanitary Sewer Lining Process

PHEASANT RUN PROJECTS UPDATE

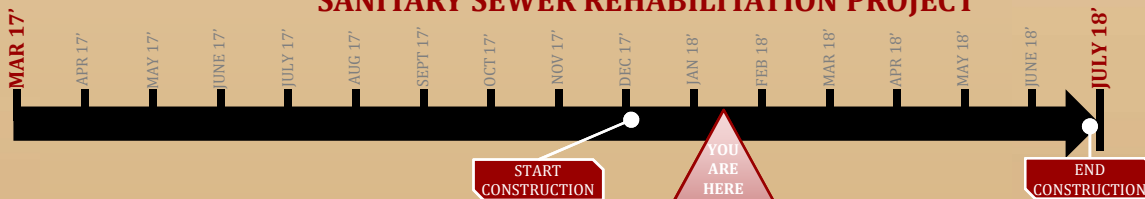

UPCOMING WORK

- Continue installation of the force main and begin installation of the lift station near the wastewater treatment plant.
- Continue installation of the liners for the existing sanitary sewers within Pheasant Run.
- The water meter contractor will be mailing out notification letters on January 29th and begin installing new water meters on February 5th. Once you receive the letter, call the phone number listed on the notice to schedule your meter installation immediately.
